This deck includes 54 cards:

- 24 Reflection Cards
- 12 Mission Cards
- 12 Find Your Way Story Cards
- 6 Resource Cards

A GENTLE REMINDER FROM LEO

Take
your time.
Every step
counts.

You may always:

- Take your time
- Pause
- Ask for help
- Choose a different question
- Answer by talking, writing or drawing
- Or simply listen

No one has to speak before they feel ready.

There are no perfect answers in Leo's Museum of Life.

Be curious. Be kind. Be you.

HOW TO PLAY

Pick a Card and Talk ♥

Shuffle the deck or choose a category. Take turns drawing one card at a time. Read the card aloud and answer the question, complete the challenge, or share your own story. There is no winner in this version. The goal is to listen, share, learn about one another, and keep the conversation going.

OR

Create Your Own Winning Set ♥

Before the game begins, each player chooses how many cards they would like to collect from each category. Write down your personal goal:

- ☐ Reflection Cards (24 cards in deck)
- ☐ Mission Cards (12 cards in deck)
- ☐ Find Your Way Story Cards (12 cards in deck)
- ☐ Resource Cards (6 cards in deck)

Players take turns drawing cards. When you collect all the cards for your chosen goal, explain how they connect. The first player to complete their set wins!

*Different moments.
A brighter you.*

1 Choose Your Resource

Choose one Resource Card and place it face up in front of you. This card becomes the center of the set you are building.

2 Draw and Decide

Take turns drawing one card from the deck. Then choose what to do with it:

CONNECT IT

Add it to your set if you can explain how it connects to your Resource.

KEEP IT TO TRADE

Keep the card in your hand to trade with another player later. (You may keep up to 4 cards in your hand for future trades.)

DISCARD IT

Place it in the discard pile if you don't want to connect or trade it.

3 Trade with a Player

Talk to another player and agree on an exchange.

You can explain why a card might fit their set — and listen to what they think.

A player can always say no.
